Brawny Brownies

¾ c. Purple Puree:
- 3 c. frozen chopped spinach
- 1 ½ c. frozen blueberries
- 3-4 tablespoons water
- 1 teaspoon lemon juice

1 box (about 21 oz.) brownie mix
2 large eggs
¼ c. canola oil

**Purple Puree:**
1. Bring spinach and water to boil in a medium pot. Turn heat to low and allow to simmer for 10 minutes.
2. Quickly, rinse frozen blueberries under cold water to thaw a little, and then drain.
3. Fill the bowl of food processor with the blueberries and cooked spinach, along with the lemon juice and 2 tablespoons of water, and puree on high until as smooth as possible. Stop occasionally to push top contents to bottom. If necessary, add the rest of the water to make a fairly smooth puree.

This makes more than the required ¾ cup, so store leftovers up to 2 days, or freeze 1/4 c. portions in sealed plastic bags or small plastic containers.
Brownies:
1. Preheat oven to 350 degrees.
2. Butter or coat with cooking spray a 9x13 pan.
3. Measure and discard (or save for future use) ½ c. of the dry packaged brownie mix and replace with ½ c. wheat germ.
4. Mix together the brownie mix with the eggs, oil and Purple Puree until well blended.
5. Follow package directions for baking time.
