

Western Boots

State 4-H Roundup is right around the corner, and Kyle knows there will be lots of dancing. He needs a new pair of cowboy boots to dance in but also to wear them for other occasions like graduation, stock shows, and scholarship banquets. They should be nice & fashionable but must also be comfortable enough to wear every day. He wants a good pair of boots that will last him a while but doesn't want to spend more than \$275 including tax (8.25% sales tax). Kyle is planning on going to college at Texas Tech University next year. Which pair should Kyle purchase?
