

Sunglasses

Senior

Class 6

Samuel is going on a backpacking trip with his dad this summer and needs a new pair of sunglasses. The sunglasses must have UV protection and should fit snugly. They must be lightweight and durable since he will be wearing them all day. A good warranty is also essential. He has been saving his money to get a pair that will last but he prefers to spend less than \$60.00.

#1

SunCloud Champ Polarized Sunglasses
