. Class #6 Job Offers (Mystery)

Jonathon graduated with an Engineering Degree in May and has 4 job offers all in the Amarillo area. All four jobs have similar jobs descriptions and based on his research of each company, he believes would enjoy working for any of them. Jonathon, who is 35, has minor health issues that require routine medical checkups and 2 daily prescription medications. He and his wife are expecting their 3rd child in 2 months. After the baby is born, his wife plans to be a stay-at-home mom. Planning for their retirement is important to Jonathon and his wife. Which job offer do you recommend Jonathon to accept?
