

2023 Jr/Intermediate CDM Classes

Athletic Shoes

Ben needs new basketball shoes before this season starts. His dad knows he needs something with good support yet because Ben's feet will be sweating, he wants a fabric that is breathable. He would like some air or something to give Ben's feet cushion, but his dad said he can only spend \$125. Which shoes should Ben buy?

Fitness Products

Abby and her dad are looking to get her mom a bicycle for birthday. Her dad has set aside \$400 in which to purchase this bike. Abby knows her mom has back issues so she is looking at a bike which she can sit down and not put a lot of strain on her back. She also knows her mom needs some pre-programmed workouts in order to keep her motivated and using the bike. She knows her mom gets bored working out so the more she can change up her programmed workouts the better. Which bike should Abby and her dad purchase?

Outdoor Backpacks

Ryan is getting ready to go on his first backpacking adventure with his dad and uncle and they will be gone for 4 nights. He is 11 years old and small for his age. He wants a backpack that has at least 3,000 cubic inches of gear capacity. He knows though the most important thing is finding a backpack that fits right. He must have backpack that fits a 14 inch torso and a waist of 25 inches. He is excited about this upcoming trip and is ready to purchase a backpack so he can haul what he needs on the backpacking trip.

Televisions

Henry is looking for a new TV for his xBox 360. He needs at least a 35 inch tv or bigger so that he can easily view his video games. He would prefer to not have a smart tv because his parents will not give him permission to access the internet in his room. He saved all the money from his birthday and has \$150 to spend. Which tv should Henry buy?

Mystery - Tumblers

Emily is getting ready to go back to school and she must have a bottle at her desk for drinks during the day. She really likes cold water when the weather is warm and when it gets cold she likes to take hot chocolate. Her mom wants a bottle that can go in the dishwasher and that is economical. She has given Emily a \$35.00 budget to get her a new bottle for school. Which one should Emily buy?
