Accommodations

- Requests for accommodations must be submitted to the District Office from the County Office at least 2 weeks prior to the event.
- This request must be accompanied by official documentation in one of the following options for why the request is being submitted:
 - A) Official doctor's note from a licensed medical professional
 - B) School documentation and/or evaluation from a public institution
 - C) Official evaluation from a licensed professional therapist and/or diagnostician
- Note: The documentation and request are required within the appropriate timeline outlined for the event in order for the accommodation to be considered but does not guarantee that the requested accommodation can be made.
- The request will be reviewed by the district office (and when necessary, in consultation with the state office).
- Request and documentation will be kept confidential within the appropriate county/district staff and event administrators.

Contest Format

Contestants will judge 4 soil profiles with 20 minutes allowed for each. They will then determine the soil characteristics of the profiles and make interpretations based on observation.
